Film & Video Production is an exciting new two-year diploma program offered at the Bay St. George Campus of College of the North Atlantic. This program will prepare graduates to find employment in the fast growing film and video production industry. Using their newly acquired skills with cameras, lighting and audio equipment, editing facilities and digital effects equipment, students will produce quality entertainment and documentary films and videos.

Classes start in September. Apply today!

We're so much more.

George Street TV

2006 - Television Comedy Series (22:19 mins)

Production Company: The Giggle Factory

Produced by: Kent Brown

Executive Producer: Mary Sexton

Directed by: Greg Malone

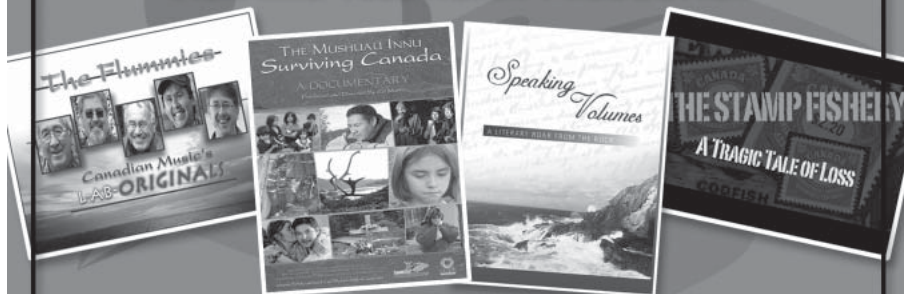

Written by: Donald Goobie, Kent Brown & Greg Malone

Synopsis: A figgy duff of foolishness and fun, this new, original six-part interactive experience is a combination of street interviews, dares and party-hopping with a distinct Newfoundland flare. The natives of 'The Rock,' Kent Brown and Donald Goobie, host from George Street in St. John's, an oasis of action on Canada's East Coast.
