

Development Loan/Equity Investment Application Form

Please accept this application for consideration under the following program:

Development Loan Program

Equity Investment Program

Eligible Applicants

Only incorporated Newfoundland and Labrador film and video production companies may apply. Individuals, non-incorporated groups, or licensed broadcasters are not eligible. Corporations must demonstrate that their primary focus is on the development, production, and distribution of film and video products, and must be at least 51% owned by a resident of Newfoundland and Labrador as described for individuals. For the purposes of these guidelines, a *Newfoundland and Labrador Resident* is a person who has maintained a principle residence in Newfoundland and Labrador for at least 12 consecutive months immediately prior to the date of application.

Development Loan Program

Overview

The Corporation may provide a loan to qualified applicants to support the essential process of development that takes an idea through the stages of research, writing, market analysis, and costing. Support for the development of a project does not, in any way, guarantee funding by the Corporation in later stages of the project.

Financial Participation

The Corporation will apportion its development loan funding in two phases for non-series projects as follows:

Phase One – Conception and Development of First Draft Script

At this stage, the Corporation will normally advance a maximum of \$15,000 for the option or acquisition or rights, scriptwriter's and editor's fees, research, required travel expenses, normal overhead, and producer's fees. At the end of this phase of development, the producer will be required to provide a completed first draft script and cost report. The Corporation's contribution cannot exceed 33% of the budget.

Phase Two – Shooting Script and Production Development

At this stage, the Corporation will normally advance a maximum of \$20,000 for pre-casting and preliminary search for shooting locations as required for script writing, required travel expenses, normal overhead, producer's fees, preliminary shooting schedule, preparation of a marketing plan, preparation of the final budget, and completion of a

shooting script. At the end of this phase, the producer will be required to provide a shooting script, a production budget, a marketing plan, and a cost report. The Corporation's contribution cannot exceed 33% of the budget. A producer may apply for Phase Two development without having received Phase One development

For series projects, the full \$35,000 of funding may be accessed in one stage. All of the criteria outlined for non-series projects in Phase One and Phase Two apply for series applications.

For further details, please review the Development Loan guidelines available from the NLFDC (address on last page).

Equity Investment Program

Overview

To support Newfoundland and Labrador-based production, NLFDC will provide production assistance in the form of Equity Investment to eligible producers for the financing of productions. For the purposes of these guidelines, *Equity Investment* means a financial contribution by the NLFDC that shall be repaid from earned revenue resulting from the production.

Financial Participation

The NLFDC will normally provide a maximum of 20% contribution of the overall costs of the project. The schedule of payments will be based on the individual project needs and production schedule. Typically, 95% of the financial commitment will be disbursed on principal day of photography with the remaining 5% being disbursed once the production has been completed and all conditions of funding have been met.

Within genres, the NLFDC equity investment will normally be subject to the following maximums:

- Dramatic series – maximum \$250,000
- Theatrical feature film, television feature length move (MOW) - \$250,000
- Documentary (single or series), children's, other - \$150,000

For further details, please review the Equity Investment guidelines available from the NLFDC (address on last page).

Please review the following checklist to ensure that all required materials are included with the application form. Incomplete applications will be neither assessed nor returned. The applicant will be notified in writing of the funding decision.
